Our History

To help retain and appreciate our history, we have been collecting and sharing our history in preparation for this weekend. To keep this effort going after this weekend, we need volunteers.

See Summit Observers and other historical material back to 1980 on MySummit.org. During the weekend we will show slide shows and recorded oral histories of residents that help tell our story. Find out why the Summit is so much more than just a building.

Shirts & Hats

"At The Summit" t-shirts & caps are available until they are sold out for \$10 each (cash only). They will be on sale in the north lobby on Thursday, January 26th and Friday, January 27th from 10:00am-12:00.

THE SUMMIT AT 30 Our Celebration Weekend January 27-29 2012

***For all of us lucky
enough to be already***

We need a whole weekend to celebrate because we have a lot to remember and be thankful for at the Summit. Special thanks to three decades of volunteers and staff dedicated to the Summit. Thanks to the many volunteers who put in weeks of work to make this weekend possible.

Please use the weekend to find new friends and ways to enjoy the Summit. The first 30 years were amazing. The next 30 promises to be even greater!
