What's Not to Love?

What other condo has the number of recreational facilities and access to a beach and beach walkway? We do! Let's celebrate what we've have and all the improvements we've made in the last 32 years.

Let's also celebrate our wonderful community of friends. During this weekend your only job is to have fun and make more friends to share the Summit with.

On Valentine's Day let's turn our thoughts to all the reasons we Love the Summit.

LOVE THE SUMMIT WEEKEND

February 14-16, 2014

Our 32nd birthday celebration starts on Valentine Day!

Let's celebrate!!!

How many ways do you love the Summit: friends, beach, pools, view, weather, Café, Broadwalk, gyms, outdoor sports, or more?

Again we need a whole weekend to celebrate one of our anniversaries because we have a lot to be thankful for at the Summit. Special thanks go out to the many volunteers who put in weeks of work to make this weekend possible.

Please use the weekend to find new friends and ways to enjoy the Summit.

Dr. Jeff Spiro, President of the Board
