## Pre-Event Brochure for **THE SUMMIT AT 35** Our Celebration Weekend January 13-15, 2017

*For those lucky  
enough to be*

We need a whole weekend to celebrate because we have a lot to remember and be thankful for at the Summit. Special thanks to over three decades of volunteers and staff dedicated to the Summit. Thanks also to the many volunteers who put in weeks of work to make this weekend possible.

Please use the weekend to find new friends and ways to enjoy the Summit. The first 35 years were amazing. The next 35 promises to be even greater!
